

August 20, 2009

Greetings!

Can you believe it has been over a year since our last Genesis event? Well, 2010 is just around the corner and plans are well underway. It is because of so many hard-working volunteers that we are able to pull together such an impactful event. We hope you will join us again!

Attached please find a volunteer application form. We will use this information to put together teams of people based on skills and interest. At the event, your team will work together in the area of your choosing.

The information you provide will also assist in making room reservations later on. Please fill out the attached form completely and return in the enclosed envelope by September 15. You could also register on-line by visiting the website.

Below you will find a basic schedule of our weekend together. Please feel free to look it over and let me know if you have any questions.

Looking forward to serving with you!
